

Fun On The Fourth

Crowds clad in red, white and blue descended on downtown Greenville for the town's sixth annual Downtown Fourth of July Celebration.

After a parade down Main Street, festivities kicked off in the Big Spring area behind the Greenville-Greene County Public Library, where bands, singers and dancers hit the stage to delight the crowd.

Revelers enjoyed food, games and inflatables for kids, a hot dog eating contest and other fun before the evening was capped off with a fireworks display.

Parade goers wait for the procession to pass by the Capitol Theatre Wednesday, July 4, at the American Downtown Fourth of July celebration.
